## 30<sup>TH</sup> ANNUAL FAMILY GUARDIAN/BARRACUDA SWIM CLUB SWIM MEET

*L-R: David Slatter, Vice President, Investments, Family Guardian; Dion Gibson, President, Barracuda Swim Club and Demetria Cooper, Mortgage Loan Representative, Family Guardian and Barracuda Swim Club Executive Board Member*

Family Guardian continued to help build the sport of swimming in The Bahamas by partnering with the Barracuda Swim Club for the 30th annual Family Guardian/Barracuda Swim Meet. The meet, which was held on November 6th and 7th, 2015, provided swimmers with an opportunity to qualify for the Speedo Winter Championships which will be held in Plantation, Florida from November 19th to 22nd, 2015.

“Family Guardian has supported our club for over 29 years,” said Dion Gibson, President of the Barracuda Swim Club. “The Bahamas National swimming team’s win of this year’s CARIFTA championships for the second consecutive time is evidence of the growth and talent of our swimmers. We are grateful to Family Guardian, and look forward to this continued relationship for the development of our club and the sport of swimming.”

The Barracuda Swim Club is a non-profit, parent-run organization that is dedicated to building the youth of our nation through swimming. The Club has developed hundreds of swimmers, and continues to ensure that the sport grows for generations to come as they guide and build young champions who have a passion and determination to be Olympians.
