

FAMGUARD
CORPORATION LIMITED

NEW APPOINTMENTS

Patricia Hermanns, President of FamGuard Corporation Ltd.,
has announced the following appointments:

**Michael Hanna, Vice President,
Systems Development & Architecture**

With our expansion into new business lines and our focus on developing cutting-edge technical solutions to enhance product delivery and customer service, the Company has appointed Michael Hanna, formerly Vice President of Information Services, to a new leadership position within the IT department.

In his new role, Mr. Hanna will provide the vision and supporting strategies to capitalize on new technologies and enhancements to existing systems. Mr. Hanna began his career with the Company in 1978 and has played a major role in strategic planning, systems development, and project management.

**Jayson Clarke, Vice President
Technology**

Jayson Clarke has joined the Company in the position of Vice President, Technology, and will be responsible for oversight of the IT department's day-to-day service delivery, data processing and local- and wide-area network communications.

Mr. Clarke brings over sixteen years' experience in information technology, having previously headed the computer operations, network services, and systems support of a leading financial services institution. He holds a Bachelor's and a Master's degree in Business Administration from Nova Southeastern University.

Ramon Curtis, Financial Controller, Family Guardian

Ramon Curtis has joined the Company in the position of Financial Controller for Family Guardian Insurance Company. Mr. Curtis holds a Bachelor of Science degree in Accounting from Lincoln University, Pennsylvania, and is a Certified Public Accountant. He brings eight years of experience at a major accounting firm and is an active member of the Bahamas Institute of Chartered Accountants. In his new position, he will report to the Vice President, Finance, and will have responsibility for all financial reporting and accounting for Family Guardian and its group health division, BahamaHealth.

Leah Major, Associate Actuary

Leah Major has been appointed Associate Actuary, reporting to the Vice President, Finance. Ms. Major earned a Bachelor of Business Administration degree in Actuarial Science, Summa Cum Laude, from Temple University, Pennsylvania, and holds the Associate of the Society of Actuaries (ASA) designation. Her new responsibilities will involve financial analysis and reporting for the Company's broad range of insurance products.
