# FAMGUARD CORPORATION LIMITED CHAIRMAN'S REPORT

Unaudited Results for the NINE months ended 30 SEPTEMBER 2017

#### MESSAGE FROM THE CHAIRMAN

Dear Shareholders:

I am pleased to report that for the third quarter ended 30 September 2017 FamGuard Corporation recorded profits of \$7.1 million. Profit attributable to common shareholders totaled \$6.3 million and represented \$0.63 per share, a 2% increase over the corresponding prior period. Despite the current economic environment in which we operate, with pressures on disposable income and the reduction in the prime rate during the year, the Group's performance remains strong.

Gross premium income ended the nine month period at \$76.7 million, a 1.1% increase over the prior year. However, total revenues decreased by 4.6% over the same period in 2016 as a result of a decline in annuity deposits, which we also saw in the previous two quarters of 2017. The decline in deposits was offset by a corresponding reduction in policyholder benefits on annuities which decreased in direct correlation. Investment income contributed \$10.3 million to total revenues during the period despite the pressures from the low interest rate environment and fluctuations within the equity market.

Policyholder benefits totaled \$52.1 million compared to \$57.0 million for the corresponding prior period. Positive variances were recorded for both life and annuity products over the prior period with the major variance being the reduction in reserves on Annuity deposits in direct correlation to the reduction in deposits. Total expenses exceed prior year as a result of continued investment in technology and human capital aimed at improving our service to our policyholders and customers.

The Company's balance sheet remains strong with total assets of \$360 million, of which investment assets comprised \$281 million, representing 78% of our total asset base. The Company's insurance subsidiary, Family Guardian Insurance Company Limited continues to maintain capital solvency measures in excess of the local and international minimum requirements. Additionally, we are pleased to advise that Family Guardian's financial strength and credit worthiness rating of A-Excellent was reaffirmed by AM Best, the insurance industry's leading global rating agency.

I am pleased to advise that the Board of Directors declared a dividend of \$0.06 per share for shareholders of record as of 28 November 2017, payable on 5 December 2017.

On behalf of the Board of Directors of FamGuard, I would like to extend our sincere thanks to our management, support staff, and sales team for their continued hard work and commitment to serving our clients, which has contributed to the success of the Company. I also wish to thank our shareholders and clients for their continued confidence.

Sincerely,

L. Edgar Moxey Chairman & CEO

Daxuy.
